

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,
and Handling of Food."

I want the FDA to continue prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation. 6511 '99 MAY 24 12 25

Additional comments:

I do not want
irradiated foods. Therefore,
I need to withdraw.
Thank you. JRS
